many white people and some conservative black people believe that affirmative action programs are unfairly depriving more deserving whites of jobs and education opportunities the author argues that is a myth for example university admissions data demonstrates that despite affirmative action rhetoric there remains systemic bias against black students sociological data on criminal record race and employment found that white people with a criminal record had a better chance of getting a call back than black people without one renowned professor of social work dr rudolph alexander jr analyses many examples which demonstrate that the claim that affirmative action programs have led to unfair discrimination against white people of equal ability is a myth though not always comfortable reading the book is an important addition to the literature on equality diversity and critical race theory

this theoretically balanced text provides the latest research findings and a consistent structure to help students analyze major social problems facing the united states the authors present both sides of an argument with a neutral voice and use a down to earth writing style when students complete this text not only do they gain a sociological understanding of social problems but also they are able to explore and evaluate their own opinions about specific social problems they will gain a greater awareness of the social forces that shape their orientations to social problems and their perspectives on social life the ideas in this book then can penetrate students thinking and give shape to their views of the world

taking a conflict approach eitzen and baca zinn focus on the underlying features of the social world in an effort to help students to understand today s social problems

a fascinating consideration of the work of life models and the models own perspectives on their craft

the santa claus syndrome by michael m faniel sr santa claus also known as saint nicholas kris kringle father christmas or simply santa is a legendary figure originating in western christian culture who is said to bring gifts to the homes of well behaved good or nice children on christmas eve december 24 and the early morning hours of christmas day december 25 the santa claus syndrome explores the impact on children of being lied to about the non existence of santa claus through a discussion of the psychological impact michael m faniel sr asserts that there is no reason to lie to young children with impressionable young minds lies can negatively affect the human psychic physical development faniel suggests these lies contribute to the growing number of people with depression anxiety and countless other mental and emotional disorders faniel s motivation for this book is his personal experience with sociocultural accepted practices the book explores the traumatic effects of lies on a person s world views while all experiences can affect human behavior patterns it is the traumatic ones that create trust issues antisocial patterns and a reliance on these learned patterns as lifelong practices the santa claus syndrome is a theoretical examination of these experiences and subsequent possible problems associated with mental and emotional degenerate conditions

updated to keep pace with the latest data and statistics drugs and society thirteenth edition contains the most current information available concerning drug use and abuse written in an objective and user friendly manner this best selling text continues to captivate students by taking a multidisciplinary approach to the impact of drug use and abuse on the lives of average individuals

laud humphreys 1930 1988 was a pioneering and fearless sociologist an episcopal priest and a civil rights gay and antiwar activist in graduate school during the late 1960s he conducted extensive fieldwork in public restrooms in a st louis city park to discover patterns of impersonal sex among men he published the results in tearoom trade three decades later the book still triggers many debates about the ethics of his research methods in 1974 he was the first sociologist to come out as gay laud humphreys prophet of homosexuality and sociology examines the groundbreaking work through the life of a complex man and the life of the man through his controversial work it is an invaluable contribution to sociology and a fascinating record of a courageous life
